Roger Klein is a licensed clinical and school psychologist providing psychological evaluation, consultations and therapy. His specialties are child and adolescent issues and family therapy. Dr. Klein also does stress management and parenting seminars, and has presented seminars and workshop on stress management at the national, state and local levels. Dr. Klein sees clients in Watertown and Lake Mills.

Vicki Milbrath is a licensed professional counselor and a master level psychotherapist. Vicki specializes in grief and loss counseling. Other areas of counseling include, but are not limited to, adjustment disorder, depression and anxiety. Vicki counsels individuals, couples, families, adolescents, adults and children. She has training in critical incident stress management. Vicki sees clients in Watertown and Lake Mills.

David Van Doren has a doctorate in Counselor Education and is a licensed psychologist. Dr. Van Doren's therapies include depression, anxiety, chemical dependency, relapse prevention, and those affected by the chemical dependency of others. Dr. Van Doren also provides marital and family therapy. He sees clients in Lake Mills.

Rick Brewer has a doctorate in pastoral care and counseling and is a licensed marriage and family therapist. Dr. Brewer's areas of specialty and interest include marriage and family issues, divorce mediation, gender identity issues, individual and family counseling and spiritual assessments. Rick sees clients in Watertown.

Mindy Haseleu is a licensed clinical psychologist who provides individual, family, couples, and group therapy to children, adolescents and adults. Dr. Haseleu helps clients make empowering changes in the areas of depression, anxiety, stress management, relationships, gender issues, grief and self-esteem. She also has extensive training and experience with multicultural populations. She sees clients in Lake Mills.

David Byrne is a licensed clinical psychologist who provides psychotherapy, psychological assessments and consultations. His specialties include mood disorders, anxiety, sexual/physical trauma, and marriage/relationship issues. He is especially interested in working with children and teenagers in the areas of school-related problems, ADHD, and parent-child conflicts. He is available for events and presentations. He sees clients in Watertown.

Kerry Wolfe is a master's level licensed professional counselor who provides psychotherapy to children, adolescents, adults, couples, and families. Her areas of specialty include developmental disability, domestic abuse, sexual abuse, depression, anxiety, anger management, and adjustment disorders. Ms. Wolfe also provides groups for sexual abuse survivors and anger management. Kerry sees clients in Watertown and Lake Mills.

Ryan Parys is a licensed professional counselor. He specializes in working with children, adolescents, adults and families (including adoptive and foster) in times of crisis, and also with those experiencing symptoms of Asperger's Syndrome, reactive-attachment disorder, depression, anxiety, adjustment and mood disorders, relationship issues, parenting stressors, abuse, addiction, anger control, and career counseling. Ryan sees clients in Lake Mills and Watertown.

Carol Erdman is a master's level licensed clinical social worker and certified substance abuse counselor. She specializes in AODA, eating disorders, posttraumatic stress disorder and survivors of abuse. Carol sees the potential that anyone can change and that sometimes that process is uncomfortable, but together, whether individually, in families and/or in groups change is possible. Carol sees clients in Watertown and Lake Mills.

Edward Dehnert is a master's level licensed clinical social worker and certified substance abuse counselor. He provides therapy services to adolescents, adults and couples. Special areas of interest include alcohol and other substance abuse, anxiety, mood disorders and post traumatic stress disorder. Ed sees clients in Watertown and Lake Mills.

Tammy Conrad is a licensed marriage and family therapist. She provides in-home family and outpatient therapy to children, families, couples, teens and adults. Tammy has over 21 years of experience facilitating relational therapy between parents and children in a variety of situations including reunifications, adoptions, out-of-home placements and long-term foster placements. She also works with families who've experienced stressful or traumatic life events, exhibit behavioral and attachment difficulties, anxiety, depression, grief and loss. She has a strong interest in infant mental health. Tammy sees clients in Lake Mills and Watertown.

Amy Middleton is a licensed clinical social worker, masters level psychotherapist, and clinical hypnotherapist. She has experience working with children, adolescents, adults, families and couples. She works with a variety of issues, some of which include mood disorders, stress management, parenting problems, adjustment issues, grief, anger, self-esteem, communication skills, assertiveness, and divorce. She has experience in divorce mediation, and extensive experience and training in hypnosis. Amy sees clients in Watertown.

OVER

Leslie Ofner is a licensed clinical social worker and masters level psychotherapist. She has many years experience working with adults and children of all ages. Leslie works with a variety of issues including anxiety, mood disorders, trauma, coping with life stressors, behavioral challenges, school problems and many more. She sees clients in Watertown.

Teresa Grimes PA-C provides medication evaluation and management services to adolescents and adults. Teresa is under the direct supervision of psychiatrist Mike Ishii. She has extensive medical experience in outpatient, emergency room, and inpatient settings. In 2001 she assumed primary responsibility for the care of Dr. Turke's patients with mental health concerns. She has spent over one thousand hours in study, attending Harvard psychiatry education seminars and working with area psychiatrists to gain additional expertise in the field. She sees clients in Watertown and Lake Mills.
